## Why do I need a Service Contract on my new Sprayer?

- **Increased uptime**, full maintenance and preventive maintenance
- **Accurate application**, updated, inspected and tested regularly
- **Fixed costs**, budget for all operating costs
- **Enhanced resale value**, factory maintained machine with full record
- **Peace of mind**, let us manage the machine
- **No surprises** no unplanned repair invoices
- **No hassle**, let us do the worrying

Enhance your standard 2-year warranty with up to 5 years or 5000hrs of cover

## BRONZE LEVEL COVER

Bronze level cover includes all scheduled maintenance, annual inspection, oil and fuel sample testing every 500hrs, annual NSTS test certificate, software updates, machine updates and on demand training, we call that Bronze level cover.

## SILVER LEVEL COVER

Silver level includes the full maintenance package described under Bronze level plus PowerTrain repair cover and preventive maintenance inspection & repairs to kingpins, steering bushes etc.

## GOLD LEVEL COVER

Gold level adds the wet system into the repair cover in addition to Full Maintenance and PowerTrain repair, including preventative maintenance inspection & repairs to boom pivots, carriage and shock absorbers.

## PLATINUM LEVEL COVER

Platinum includes all that and everything else too; full machine maintenance and repair.

### Why not make your spraying season easy?

With full Service and Repair cover all you have to manage is your application programme and the weather, while our experts maintain and repair your sprayer as required to keep it in tip top condition while at the same time providing annual inspection, testing and certification and don't forget all these programmes include updates and on demand training free of charge too
