

HOUSEHAM PREDATOR

P5

THINK BIGGER.

The Predator is designed to deliver maximum performance with minimal soil compaction, with high specification features as standard.

HIGH CAPACITY SPRAYING

- ◆ 5000 litres, stainless steel tank (also available 4000 litres)
- ◆ 36m triple fold boom with function for 4 nozzles per section allowing turn compensation/variable rate application (also available from 24m)

LOW SOIL COMPACTION

- ◆ The lightest, big wheeled machine in its category - only 10,500KG unladen
- ◆ Low weight chassis design with a rear mounted engine for optimised weight distribution
- ◆ Michelin R46 Spraybib row crop tyres

SUPERB CLEARANCE

- ◆ High clearance up to 1.05 metres

THE POWER TO PERFORM

- ◆ Economic Mercedes-MTU 228hp Tier-4 engine to adhere to emission legislation
- ◆ Rear mounted engine for optimal weight distribution
- ◆ Reduced in-cab noise. Up to 50km/hr on the road

CLASS LEADING CONTROL ON ROAD OR FIELD

- ◆ Househam intelligent transmission system (HITS) with 2-speed cruise control
- ◆ Specially designed hydraulic suspension system for reduced body roll + comfort with adaptive mode

ADVANCED SPRAYER TECHNOLOGY

- ◆ High precision + control: up to 36 metre boom, with Individual Nozzle Control (INC) and Auto Nozzle Select (ANS)
- ◆ Househam's Total Machine Control (TMC) V5 Controller with FieldMaster GPS mapping and guidance
- ◆ NORAC boom levelling - for reliable + accurate application
- ◆ Load sense hydraulic circuit ensures the machine remains efficient during operation

OPERATOR COMFORT

- ◆ Category 4 ROPS-approved cab.
- ◆ Spacious, quiet and fully air-conditioned cab
- ◆ Panoramic visibility
- ◆ High back Grammer air suspension seat + fold down buddy seat
- ◆ Electric mirrors/reversing camera
- ◆ DAB radio and CD with Bluetooth

EASY AND SAFE CLEANING

- ◆ Quick and effective automatic cleaning
