INTRODUCING THE EASY WAY TO PLAN SERVICING AND MAINTENANCE.

Househam Protect Plus makes it easy to take care of essential service and maintenance, leaving you free to concentrate on managing your application programme.

Househam's own engineers will maintain and repair your sprayer as required to keep it in tip top condition as well as providing an annual inspection, testing and certification. All for a simple and affordable monthly fee. Software or other essential updates and on demand training are included free of charge too!

PROTECT^{PLUS}

BENEFIT FROM FIXED SERVICING & MAINTENANCE COSTS AND MORE...

- Full and preventive maintenance
- Accurate application, updated, inspected and tested regularly
- Fixed costs, budget for all operating costs
- Enhanced resale value, factory maintained machine with full record
- Peace of mind: let us manage the machine
- No surprises no unplanned repair invoices
- No hassle, let us do the worrying

WHAT'S INCLUDED IN THE SERVICE & MAINTENANCE CONTRACT?

- Contract to visit the machine every 500 hours (and first 250hrs) to carry out service and inspection
- Maintenance contract includes filters, fluids, greasing all round, overall inspection, checks of known wear items,
- Includes annual NSTS test (including new nozzles), and written inspection report,
- Includes software updates as available
- Includes machine updates as deemed necessary by Househam
- Travel and mileage included, no additional charges to customer
- Includes telephone support and training
- Repair contracts all include the maintenance contract and are available in packages, not available separately:
- Silver covers PowerTrain main components
- Gold covers PowerTrain and Spray System
- Platinum covers everything

CHOOSE THE LEVEL OF COVER THAT SUITS YOU.

PROTECT PLUS BRONZE LEVEL includes all scheduled maintenance, annual inspection, oil and fuel sample testing every 500hrs, annual NSTS test certificate, software updates, machine updates and on demand telephone support and training.

PROTECT PLUS SILVER LEVEL includes the full maintenance package described under Bronze level plus key PowerTrain components such as engine block and head, crankshaft, timing gear, oil pump, exhaust manifolds, flywheel, axle suspension components and more.

PROTECT PLUS GOLD LEVEL adds the spray system into the repair cover in addition to full maintenance and PowerTrain repair, including preventative maintenance inspection and repairs to boom pivots, carriage and shock absorbers.

PROTECT PLUS PLATINUM LEVEL includes the full machine except cab glass, mirrors and tyres.
